Shelter Updates

This month, we've added a new set of kennels to the dog section of the shelter. This has allowed us to take in several new dogs while preventing overcrowding. We continue to focus on improving and maintaining living conditions as well as searching for new loving homes for our precious animals! We hope to see some of you soon to take a look at our new additions! With every new adoption comes leash, food, and bed!

Fun in the Sun

Looking for your new best friend? Come out to our event Fun in the Sun, where you'll get exactly what is promised! We're going to have sprinklers, toys, slides, as well as plenty of loving animals to play with that are looking for their forever home.

This event is completely free of charge as our only hope is that you may fall in love with one of our animals. Our staff members will be available for any questions or to be of help if needed. Each and every animal here is available to adopt, so if anyone finds the one for them staff can help with the process. We hope you guys come out and have an amazing time!

At the event

- Meet and play with our animals
- Enjoy water games and activities
- Ask questions about adopting
- Find your new best friend
